## Superb Shorthorns

Once more I have had the obligation and the pleasure of inspecting the consignments for an Auglaize County Shorthorn Breeders' Association sale. They are for the sale to be held at Wapakoneta, Ohio, April 26, 1948.

It is remarkable how consistently and persistently the breeders who are members of this Association have improved their herds and hence their sale offerings throughout the thirty years that I have known them. Of course, they are not all the same breeders who formed the Association more than thirty-one years ago. Some have died or moved away and others have taken their places. Improvement has been manifest year after year and this year the consignments rank with the best of any state or district sale in the Country.

All of these breeders are not residents of Auglaize County. Some of them live in other Ohio counties some distance away but they have been associated with this group of breeders for years and have been regular consignors to its sales. Influenced by the group as a whole, the individual members have bought better sires, have added superior foundation cows to their herds and have produced and are producing products that can go into the best herds with profit to their owners.

A study of this catalog will show that every animal is bred from the best of Shorthorn bloodlines. The many illustrations of cattle that are to be sold and of sires in the herds of the sellers, show them to be of strictly modern type, true breed character, rich color and excellent conformation. There is a large number from which to select, many with calves at foot, and I do not hesitate to recommend to anyone in want of truly high class Shorthorns, to attend this sale and to buy.

In this sale will be found the sort of cattle upon which successful herds are built. Come to see them. You will not be disappointed.

Will Johnson of The Shorthorn World

## 32nd Annual Sale

In this our 32nd sale we will sell 65 of the best cattle sold by any association in Ohio.

Included will be 12 cows with calves at side or due to calve by sale, bred to the best bulls money could buy and good young cows.

The 28 bred heifers are especially attractive, well bred individuals and carry the service of the best bulls in western Ohio. Seldom do you find as many really good bred heifers in any sale.

As to open heifers, they will be the best of any ever sold by this association, sired by such bulls as Roan Pat, Browndale Count, Irvin Hill Collynie, Woodshade Supreme, Watt Acres Prince, Model Stamp, Commanders Robin, Conners Browndale, Watt Acre Conqueror, Commanders Baron, Edellyn Modern Mercury, Broadhooks Leader, Commanders Favorite and others equally as good. Many show prospects, just a good lot of heifers.

The bulls, several of which are pictured in the catalog, are a splendid lot of good colors, good individuals, well bred, sired by real herd bulls and out of good cows.

Every consignor to this sale has selected for his offering, cattle of which he feels proud. The kind that will improve the breed. As a whole, they are superior to any offering heretofore made. Just come and you will not be disappointed.

#### ROTHES ROAN LADY

Rothes Roan Lady is a beautiful dark roan heifer that is one of the outstanding females in the sale. She is backed by two Perth champions, Royal Rothes and Calrossie Prince Peter. You'll like her feminine head and blocky type.

Alfred produced this heifer from a bred heifer that he purchased from Harvey Hoewischer & Son as an FFA project and he is selling this calf to partially finance his college education. Here is an outstanding heifer being sold for a worthy cause. We hope you'll show your appreciation.

Bred to Edellyn Royal Leader 50th in January.

Edellyn Modern Mercury a most impressive sire; a first prize at Ohio State fair. His grand type and character induced Mr. Davidson to pay \$2500 at auction to buy him. He is a very successful sire and the purchase price has not been regretted. His first heifer sold for \$600 at the state sale. Lots 13 and 15 are carrying his service.

**EDELLYN ROYAL LEADER 18TH 2247147**

At Lochmoor Farm you will find one of the strongest Scotch Shorthorn herds. At the head of the herd is Edellyn Royal Leader 18th, a top son of the All-American Favorite, Edellyn Royal Leader 2057506, out of Elcona Emma by Calrossie Prince Peter (Imp.). Our greatest step forward in breeding Shorthorns was taken when we became a part owner of Imp. Pittodrie Upright, the sensational Perth Supreme Champion by Bapton Upright and out of a dam by Aldie Keystone. We will be looking for our first calves by him with keen interest.

Quakerdale Mayflower is one of my best cows, an exceptional good milker. She is  
 deep bodied, well sprung rib, straight lines and a show cow, and a good brood cow and  
 carrying a calf by the 1946 Grand Champion Ohio State Woodshade Count Leader, by Broadhooks  
 Leader 2184765. Sire of the first prize aet of sire, of which Woodshade Count was one of and  
 best of all is proving a most successful sire. All of his calves to date are solid reds.

Cherry Lane Clara 2397797 sired by Commander Robin by Browndale Commander is the best breeding bull I ever owned. This heifer like all of his calves are thick with plenty of quality, good heads and straight lines. A show heifer. She will be bred to Golden Oak Prince Peter that I purchased at the 1945 Congress Sale from C. M. Caraway and Sons, DeLeon, Texas.

# **GOLDEN OAK PRINCE PETER**

Golden Oak Prince Peter is a dark red low down individual that is siring low down, good quality calves. I purchased him in the 1945 Congress sale. He was bred by C. M. Caraway and Sons, DeLeon, Texas. Mr. Caraway says his dark red dam is an outstanding individual and top producer. His sire, Prince Peter, sired five head that sold for an average of \$1640 per head in the 1945 Congress sale and Golden Oak Prince Peter was one of them.
